#Get healthy

Administered by

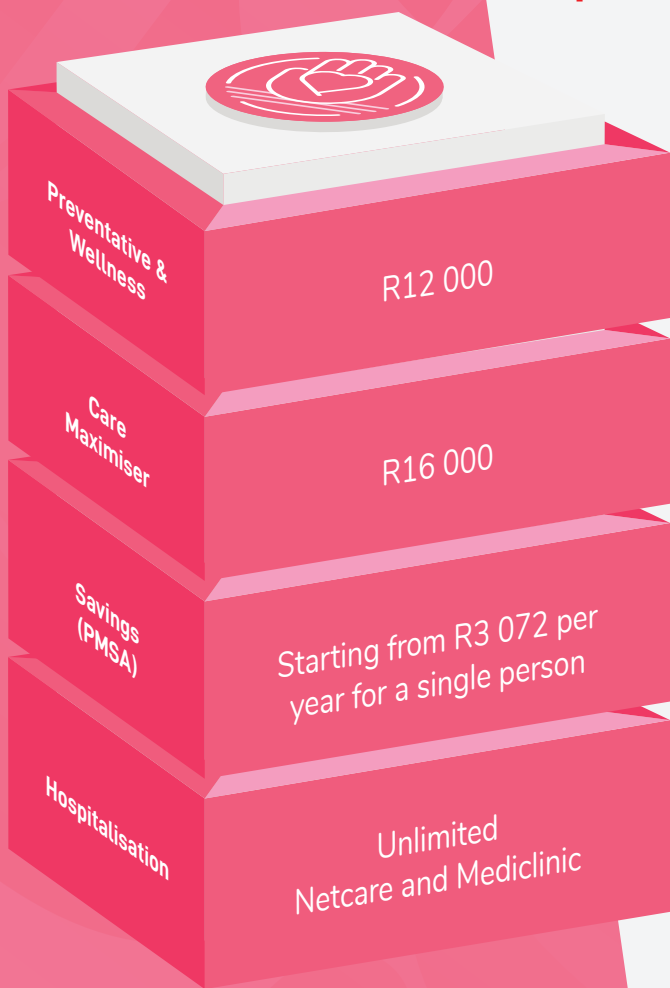

UniversalTM

CompCare Medical Scheme is administered by Universal Healthcare Administrators (Pty) Ltd.

Are you young, tech-savvy, and embarking on your first career? SelfCare Plus provides essential medical cover for those leading active lifestyles, ensuring peace of mind with protection against unexpected medical expenses. This option also includes unlimited hospital stays at any Netcare or Mediclinic hospital.

Day-to-day benefit

With a 10% personal medical savings account, you can cover expenses such as medicines and dental care. You also get extra benefits for GP consultations and two specialist visits.

Preventative care and wellness

These benefits enhance your day-to-day cover by offering screenings and checkups for early detection of health issues, while also being tailored to support your overall well-being.

Care Maximiser

The Care Maximiser provides an additional range of day-to-day benefits covered by scheme risk, without impacting your pocket, ensuring extended cover.

Through the Care Maximiser, preventative care and wellness benefits, you can enjoy up to R28 000 in additional cover on top of your day-to-day benefits.

Comprehensive chronic cover

Covers the 27 listed Chronic Disease List (CDL) conditions offering peace of mind for long-term health management.

Important to remember: This is a summary of the benefits. For full details, please consult the official Rules of CompCare Medical Scheme. In case of a dispute, the rules of CompCare Medical Scheme will apply. Benefits for members joining during the year will be prorated.

Always use a network hospital (where applicable) to avoid co-payments. In an emergency, go to the closest appropriate network hospital. If none are nearby, you may go to the nearest appropriate facility. For any procedures requiring a specialist, it's crucial to ensure that the specialist operates or attends to you at a network hospital. A 35% co-payment will apply to the voluntary use of a non-DSP/network hospital/facility.
